

In the Sunroom

BY: KEIKO TAKENIYA

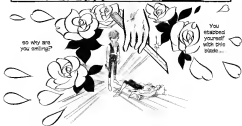

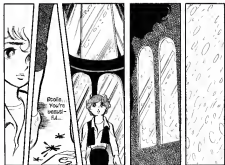

Stole,
Stole!
Now
I understand
Just how much
I love you!

Even so,
his burning heart
lives on within me.

He took flight
from my hand

On that snowy day,
his body flown
to his unrequited love
in his bedroom.

SPY: CLAUDETTE CLAUDETTE

But there's
no way he'll
become my
friend.

I've taken a
long to him?
I wonder
about that...

Even now, I'm
always an
outcast.

You're really
the one who
don't
you? You
are into your
secret room.

You're
still
waiting.

It's
already
decided
that he'll
leave.

No matter
how much
you, no one
has ever
returned
anything.

Eventually
he'll surely
come to hate
me and will
leave.

Nobody
will ever give
me what I
want.

And
your hair
shines and
glimmers in
the sun...

Yours is
slabaster,
almost
transparent.

Unlike
this
rub-rub
side.

You are
really
pretty!

Spolia...

STARTING IT?

SERGE

I continued playing with these muddy fairies.

Day after day...

A blue, blue,
clear ocean.
Although it's
winter, the
water isn't
cold.

Then, the
place becomes
an ocean.

Stella
waves his
hands
and he
casts
his magic
spell over
us.

and
the sunlight
pouring down
on us.

With its
bookshelves
and aged
dust.

Next,
this place
becomes a
forest of
fairy.

From
there, from
here.

From
one spell to
another.

where the
magic is deep
andlessly.

This old,
unused
sunroom.

With just one
wand from Spoole,
the entire world
rattles about!

Spoole's
sunroom is
a world of
magic.

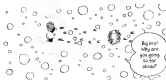

I'm
also his
helper.

Angel
is his
helper.

Spoole
really is a
fairy.

Spoole's
sunroom
lays

In this
unknown
corner of the
universe is
where

Big bro!
Why are
you going
so far
away?

And
why are
you
standing
so close?

It's fine

Ohai

WAIT!

Although
it's improper
to do that
if you're a
girl

What's the
promise? It's
warmer if
we huddle
together

How
would you
react if I gave
it to you as
a Christmas
present?

Sarge... You
wanted this
knife, didn't
you?

Are you
really dirty?
Why do you
spend all day
in here?

Hehehe

Flinch

Big
bro

You're
become
tough

You
weren't
even told
that about
this room
before

You
aren't my
helper
anymore

You're

A full
three
days have
passed

since
I lost some
blood...

What on
earth is
going on with
that child?

No, it's
not!

The doctor
says that he
doesn't know
if I'll recover

It's
pneumonia.
He's in
bed and
can't do
anything.
